Help Stop 24/7/365 Chaining of Dogs in Pennsylvania

As a resident of Pennsylvania, I fully support enforceable anti-tethering legislation in Pennsylvania that would limit the amount of time a dog can be chained to a fixed object. Tethering is cruel to dogs, poses a safety risk to people, and imposes costs that our communities can no longer afford. For these reasons we ask that you stand with us in support of effective anti-tethering legislation.
